

# SAFETY SPECIALIST SENIOR

Minnesota Power  
Cohasset, Minnesota

Minnesota Power, an ALLETE company, provides electricity in a 26,000-square-mile electric service territory located in northeastern Minnesota and northern Wisconsin. Our safety values serve as a framework to guide the daily actions and decisions of employees and our safety culture is committed to "zero injury". Our Safety team is currently accepting applications for a Safety Specialist Senior with energy generation experience to provide, plan, and administer safety programs at our largest generation facility. This position requires a bachelor's degree, professional certification and 7 plus years of experience including energy generation safety experience. Minnesota Power is an equal opportunity employer offering competitive market based compensation and benefit package. Go to [www.mnpower.com](http://www.mnpower.com) and click on the employment link for complete details and to apply. **Application deadline is 12/23/2009.** R001050892-1122
